Dear Sirs:

There was a mistake made on Spring Filings Nos 82494, 82495, 82496, 82499 & 82500. Paul Hedrick made the Filings & it was not noticed until Olav Stenberg brought his Abstract in & it showed up on his Abstract.

It should have read 3 S instead of 2 S. Was wondering if you could change it on your copies.
